BLB Sponsors the Vis Moot Team of the Tbilisi State University

BLB sponsors the team of the Tbilisi State University in the General Rounds of the Willem C. Vis International Commercial Arbitration Moot held in Vienna on 26 March 2015.

Since 1994, Willem C. Vis International Commercial Arbitration Moot has been held annually in Vienna, Austria attracting more than 300 law schools from all around the

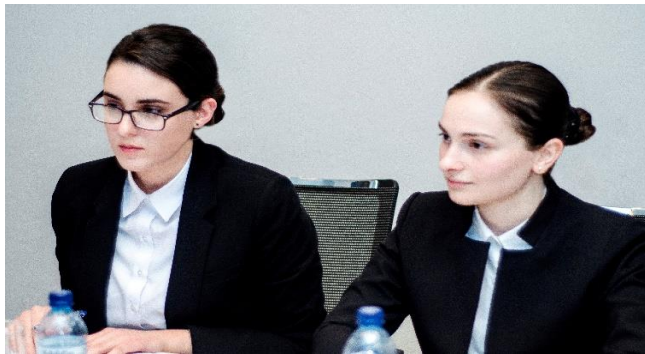

world and spurring the creation of more than twenty pre-moots each year before the actual rounds are held in Vienna. The object of the Vis Arbitral Moot is to foster study in the areas of international commercial and arbitration laws and encourage the resolution of business disputes by arbitration.

The Moot involves a dispute arising out of a contract of sale between two countries that are party to the United Nations Convention on Contracts for the International Sale of Goods.

We grabbed the chance and hosted the Tbilisi University team at our office to practice the presentation of their arguments, before ultimately travelling to Vienna, where the team will compete against one of the highly ranked universities across the globe.

As a law firm specialized on Business Law, BLB proudly takes the opportunity to support the Georgian students with a financial contribution as well as practical support in the preparation for their final moot sessions and encourages the

colleagues to invest resources in students young generations to give the fellow law students numerous and varied opportunities to obtain training in oral advocacy and writing skills through participation in international moot court competitions.

We wish the TSU team good luck and god-speed.
