Business Legal Bureau Initiated Reorganization

We at Business Legal Bureau are pleased to announce that we have recently initiated a reorganization to further enhance the capabilities of our Firm, allowing us to pursue new projects and practices and to recruit even more experienced attorneys.

At present, Business Legal Bureau has three Partners: Kakha Sharabidze, who has been associated with BLB since 1995, serving as a managing partner; Maya Mtsariashvili, who, after her successful career in the public and

judiciary service, has re-joined the Firm and is to continue her partnership with us from December 2013; and David Khaindrava who already has almost 20 years of experience in partnership with Business Legal Bureau. Vakhtang Kobiashvili, after a distinguished legal career, went on to continue his professional life in an international real estate development company, while Khatuna Khutsrauli has taken her successful legal career forward and is now leading her own law firm.

BLB has recruited new staff members and is serving its clients with renewed efforts.
