Central and Eastern Europe

BLB, the only law firm to win the prize in the category of Star Achievement, received the honor at the 2016 Microsoft Outside Legal Counsel's International Summit held recently in Vilnius.

"We are proud to receive this marvelous recognition for the enforcement campaign which contributed to the decrease of software piracy rate in Georgia. The amazing collaboration achieved by our team enabled us to help our client, Microsoft Corporation, reach a 100% success rate in IP enforcement", says BLB's Managing Partner Kakha Sharabidze.

The Award for Excellence, being such a prestigious and honorable recognition, further motivates BLB team to upscale its outstanding success rate achieved through IP enforcement.
